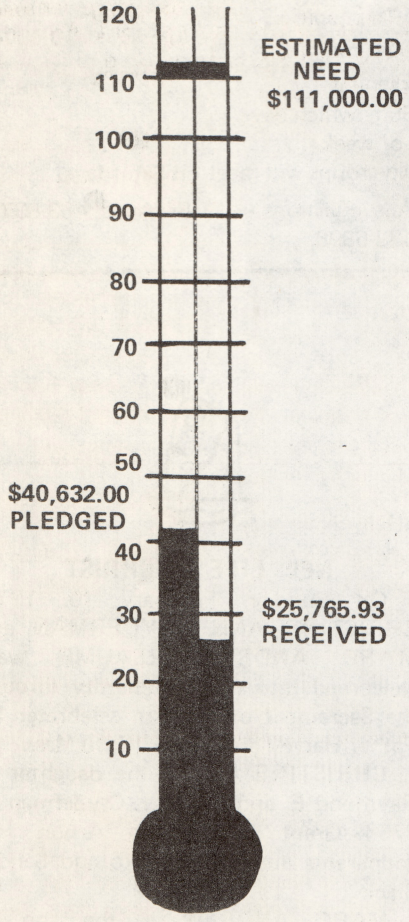
## HALL RENOVATION PLEDGES SHOW GREAT PROMISE

(Each ½ in. = $10, 000.00)



THE THERMOMETER SHOWS OUR GOALS AND ACHIEVEMENTS AFTER THE FIRST WEEK OF THE HALL RENOVATION DRIVE.

## Just a Word...

by Fr. Harvey

"Encouraged" and "hopeful" might describe our feelings as we move into the second week of our special drive to make the renovation of our church hall a reality. Thus far, 224 individuals and/or families have responded in some way. Pledges range from $1,000.00 to $15.00, with the majority of the 172 pledge contributions in the $100.00 area. To date, $19,632.00 has been pledged. Realizing that 172 donors have pledged that amount is indeed encouraging. We remain hopeful that the remaining 500 or so potential donors will also be able to do their just share, whatever "just share" is possible.

In addition to pledge contributions, 50 additional contributors chose to use their special envelopes without making a pledge. That is your choice, and we do appreciate your interest.

Two (2) special memorial bequests were also received in addition to those previously announced. A memorial contribution in the amount of $454.00 was made to the Hall Renovation Fund in the name of the late Robert E. Schrepper. A similar bequest in the amount of $250.00 was made in the name of the late Pernie Garber.

To date then, $20,628.00 has been designated for the renovation fund, in addition to the $21,000.00 bequests previously announced.

May this generous spirit and excellent beginning encourage us all toward a victorious conclusion to this drive on Easter Sunday.

Registrations have begun to be received for the special Lenten Home-Discussion series to be held in various homes throughout the parish. Information was received by mail and re-printed in last week's paper. Please be sure to turn in your registration this weekend so that final details may be completed for this special Lenten education venture. We are excited about it; we hope you are too!

## A SINCERE THANK YOU!

Dear Father Harvey and St. John's Parishioners:

It is difficult to express my feelings regarding the beautiful tribute given to my husband, Ed Daniels, on the occasion of his Mass of the Resurrection. The ceremony was so beautifully moving with the spirit of love that it filled my heart and those of my family with hope and courage for the future.

Special appreciation to the concelebrants, Fr. David Harvey, Fr. Marvin Young, Fr. Donald Clark, Fr. James Kunes, Fr. Robert Kerr, Fr. Patrick Jackson and to Fr. Lee Broderick who assisted and William Wagner, Altar Boy.

Special thanks to Sr. Mary O'Connell and Sr. Joan Tirack, who gave their beautiful voices in song and to Marie Stachlewitz, Organist.

Gratefulness is also expressed to Sr. Carol Denise and ALL the parishioners who helped with the reception at the Rectory following the Rosary Service and with the lovely dinner served after the Mass to our relatives and friends.

I can only say that the thoughtfulness and kindness given to us by all of you will never be forgotten.

Very sincerely,
Mrs. Edward Daniels & Family

## ADULT EDUCATION, LENT, 1974

Lenten study groups will meet once each during the weeks of March 3, 10, 17, 24, and 31, for 90 minutes of study plus coffee. The times suggested are 7:30 - 9:00 p.m. or 10:00 - 11:30 a.m. Each study group may meet in participants' homes or in the Center. Listed below are the topics you may elect. Each group will study one topic for five weeks. In addition to stating the topic of your choice, interested persons are asked to give other pertinent information to help us complete the organization of this project. Because the number and size of groups as well as location is dependent upon the number of participants and their preferences, we ask you to make a decision soon. Each study group will be led by either Fr. Harvey, Sr Mary, Sr Anne or Sr Sheila.

TOPICS

1. PRAYER FROM WHERE WE ARE
   A treatment of the purpose of prayer and the various forms it may take: private, devotional, liturgical, formal, informal, combined with different kinds of prayer experiences.
2. OUR LIVING FAITH IN A CHANGING WORLD
   An opportunity to study and discuss the fact of contemporary doctrinal development and religious practice within the Church.
3. WHERE IS OUR GOD?
   To generate awareness in daily life of the God in whom Christians believe and whom they love, by seeing how common human experiences can point to him.
4. WHAT'S HAPPENING TO MORALITY?
   Examine what is good and exciting in the new emphasis in moral theology - a demand that will not make life "easier" but will require a deep and total personal relationship to Christ.
5. NORMAL/ABNORMAL
   Explore opinions/information on most talked about issues of the day - social, educational norms apparent in today's world.

## NEW LIFE IN CHRIST

On Sunday, February 10, 1974, CHRISTINE ANN CRYDERMAN and MARC ANDREW REAUME were welcomed into our community through the Sacrament of Baptism celebrated by Father Harvey during the 12:30 Mass.

CHRISTINE ANN is the daughter of Raymond E. and Judith I. Cryderman of 2758 Grant Drive, Ann Arbor. Her godparents are John Sushko and Sandra Black.

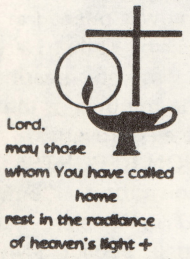
MARC ANDREW is the son of Franklin H. and Candace Reaume of 3509 Hillside Avenue, Ypsilanti. His godparents are Scott and Kerry Hines.

Welcome, CHRISTINE ANN and MARC ANDREW! Congratulations, parents!

## ADULT CONVERT

Our parish community welcomes Mr. Leland McCarberry as its most recent adult convert. Fr. Harvey celebrated the Sacraments of Initiation (Baptism, Confirmation and Holy Eucharist) during the Mass of Christian Initiation held in the McCarberry home. Ruth McCarberry is Leland's wife.

Welcome, Leland!



## IN THE PEACE OF CHRIST

Aaron Shelton, one-day-old son of Mr. and Mrs. William Shelton, was buried on February 12, 1974, at St. John's Cemetery. Graveside services were held by Father David Harvey.

Arthur F. Sprague, Sr., age 86, died February 11, 1974. A Scriptural service was held Wednesday at Moor Memorial Chapel, and the Mass of the Resurrection, celebrated by Father Harvey, was held on Thursday at St. John's, with burial following in St. John's Cemetery.

May they rest in the peace of Christ!

## LOST AND FOUND

A brand new pair of girls' boots, size 6, which was left on the bus from St. Francis, have been in the St. John Religion Center for over a month. Several unmatched mittens are also in the Center. Please contact Sr. Sheila if they are your child's.

## POSTAGE STAMPS NEEDED

Father Frank G. West, Director of the Canadian Jesuits Missions for work in India and with Canadian Indians, is in need of cancelled postage stamps which he will sell at a determined amount for each pound. We will have a manilla envelope at various doors to the church into which you can place these cancelled stamps at your convenience. They will be sent monthly to Father West. Stamps from other countries can also be saved as various stamp dealers look for these special ones, and they bring in more revenue.

The monies from the sale of stamps are used for educational and medical services, for lepers, for youth, for programs for pregnant mothers, nutritional meals, etc. This is a small service we can render for so great a work.

If you cut the stamps from the envelopes, leaving a small amount of paper around the stamp, it will help in the sending and in the sale. Won't you take this into consideration and put the stamps into your purse or wallet so that you will have them when you arrive at church?

## PARISH COUNCIL MEETING FEBRUARY 11, 1974

MEMBERS PRESENT: Sister Carol, Father Harvey, David Wheeler, Charlyn McCarthy, Natalie Motto, Vera Clyne, Dick Wagner, Lee Sanford and Don Racine
MEMBERS EXCUSED: Clem Budinger
MEMBERS ABSENT: Paul Nau and Gary Wawrzaszek

1. The meeting was opened at 8:10 P.M. with a prayer by Father Harvey.
2. As there was no meeting held in January, the minutes of the December meeting were approved.
3. COMMISSION REPORTS:
   A. Administration Commission - Chairman Dave Wheeler
   1/31 receipts: Budget $140,000.00 - Actual $80,839.05
   1. Discussion was held regarding the repair of the basement wall (which is now 50% finished) and an additional problem of an obstructed footing tile about half way back on he west side of the church. It was decided to hire A.H. Payeur on a time and material basis to investigate the problem further.
   2. A lengthy discussion was held regarding the placement of outside light fixtures for the church entrances. It was decided to match the new basement entrance with the other fixtures.
   3. Discussed water problems, pump located in sump pit in church basement to be checked further, and city to be contacted as to their responsibility for water backing into building.
   4. It was noted that most of the material for the installation of church bells had arrived and are soon to be installed. Dave Wheeler was instructed to ask the Parish Council to formally thank Mary Barton for giving the bell system to the church. (This will be done after the dedication Mass.)
   5. Discussed security of buildings particularly the door lock system. Scott Hines was requested to make a study of same and report with his recommendation at the next meeting.
   6. Studied preliminary drawing of basement renovation and approved it after deciding to exchange the uses of Rooms No. 8 and No. 14.
   7. A discussion was held with Father Harvey on how to present the basement renovation drive. (Members of the council were asked to react to

the presentation. The most-oft heard response in the parish was that this is an area which certainly needs renovation. Fr. Harvey explained that 172 pledges representing 1/4 of the parish had already been given, and Council members suggested that a possibility of another tact will be taken after the fifth week of the drive.)

Don Randazzo was present at the meeting to report progress on the organ work. More tearing out of flooring needs to be done and direction on where to go from there is needed. A meeting is to be planned with Mel Light, Don Randazzo and Dave Wheeler to determine the direction of the work.

B. Education Commission - Representative Charlyn McCarthy

1. Several teachers have returned for a second year of teaching, and it is evident that teachers are performing more competently than they did in their first year of teaching.
2. The most important areas are those dealing with the sacramental programs for Grades 2 and 4 and confession.
3. There was a discussion of provisions for neighborhood sacramental programs. These might solve attendance problems and encourage greater parent involvement. However, it was indicated that a released time program and a neighborhood program would not be feasible time-wise. A neighborhood and an after-school program would be possible.
4. Sr. Anne reviewed plans for an adult education program beginning the first week of Lent and continuing one night a week for five weeks.
5. After a lengthy discussion of curriculum content and methods of teaching, it was announced that parents and teachers interested in contributing their views and concerns about religious education are invited to participate in an informational meeting on the What and Why of the National Catechetical Directory.
6. Sr. Anne is working on a project to determine the per child cost of the religious education program at St. John's.

C. Service Commission Chairman Natalie Motto

1. The Bingo Committee met February 7 to discuss the use of another area while hall renovation takes place. It was decided that Needham Hall would be available for the operation. A meeting will be held with all Bingo workers to allow them to know the workings that will take place there. A $200.00 jackpot is being given each week as long as the crowd remains stable.
2. The Mardi Gras is in process for February 23. A small committee has been working on the project, but there is still a need for much more help, both in the decorating and in the actual serving. Dan Paffel is the Chairman of the committee.
3. A meeting will be held under the guidance of Cathy Guidebeck to get an early start on the Christmas Bazaar for the fall.
4. Funeral dinners have been planned under the direction of Alberta Presensky; receptions have been held for the Anniversary Celebrations and Memorial Masses through the work of Viola Smith; Coffee & Donuts have been chaired by Dick and Marilyn Ouellette. It was felt that the dark hours had an effect on the lesser crowd after 9:00 Mass.

D. Worship Commission - Representative Vera Clyne

1. Instead of a formal meeting on January 16, members joined with others in removing the trees and decorations from church and the clean up which followed.
2. The decorating of the church was a great success due to the overwhelming response to the request for help. Many new faces were present--a very good sign.
3. The Home Liturgy Preparation meeting at the residence of Harold and Sally Lounsberry was successful. Mrs. Pat (Nan) O'Hara will host the February meeting.
4. In spite of the small number of parishioners who responded to the call for choir members, it was still possible for the music group to provide excellent musical assistance for the holiday services.
5. Mrs. Ray (Kay) Carpenter started a program of arranging for families to bring the gifts to the altar at the Offertory.
6. As per the article in the YPSI CATHOLIC, Mrs. Budinger is grateful to the women's response to work as sacristans--sewing, caring for flowers and laundering. At the present time, there are over 30 women who will function in teams of three a month caring for the altars. In this way, no one will be overburdened. There is still a need for substitute laundresses.
7. The Worship and Service Commissions jointly sponsored the Anniversary Celebration.
8. The Worship Commission is still in need of an adult to assist in the organization of the Altar Boys, a standing committee to keep the hymnals in repair needs to be established, and a meeting to be held for the ushers is of vital concern. Recruitment is needed.
9. The three new hymn boards are in place in the church.

4. ANNOUNCEMENTS
   1. A letter sent to Mr. Robert Gillman on the Interim quarters for Boy Scouts was presented for placement in the files.
   2. A letter from Lansing on the National Catechetical Directory was read and filed.
   3. Sr. Anne explained the background of the National Catechetical Directory. It will be the most significant document in the Catholic Church for this Century and will give direction to Religious Education. The committee is working on the grass root input; St. John's will enter into the responsive level in the fall at which time we will be asked to contribute our interest and our prayers.
   4. Fr. Harvey responded to the work accomplished with St. John's Parish being in open placement. The profile sheet for the parish has been suggested for update. The Parish Council has indicated through correspondence to the Personnel Board their feelings on the open placement, the parish profile and their position on the pastorate.
5. OLD BUSINESS
   1. Dick Wagner was directed to have copies made and distributed of the changed By-Laws for the Parish Council.
6. NEW BUSINESS
   1. Holy Year progress was reported pertaining on the progress at our local level. The Diocese has hired a priest through May 30 to help with liturgical services and events and personal renewal of parishioners. The Parish Team has met with this representative to determine possible dates. There will be a leadership conference with the Councils of St. John's and St. Thomas.
